This project is funded by:

Bundesministerium  
für Bildung  
und Forschung

Deutscher Akademischer Austauschdienst  
German Academic Exchange Service

Campus-Initiative  
for International  
Talents / Pro plus  
programme

## Programme information

QECWEG is aimed at interested foreign academics in the fields of water, environmental or civil engineering who hold a bachelor's, master's or doctoral degree recognized in Germany. The programme lasts **about 5 months** (first 3 months online, 2 months on-site period) and starts in **March and August annually**.

**The programme is free of charge and consists of:**

- German language training
- Various specialized courses
- Soft skills trainings
- Practical phase
- Interdisciplinary project
- Contact with potential employers

## Apply, if you ...

- ... hold a foreign university degree (see above)
- ... are interested in living in Germany and seeking a challenging and rewarding job.
- ... can cover the travel and living costs for the on-site period.
- ... have an open-minded and flexible personality.

**Do you have questions, need support or want to send your application? Contact us via Email: [qegwec@wubs.h2.de](mailto:qegwec@wubs.h2.de)**

**More information online: [h2.de/qegwec](https://h2.de/qegwec)**

**Programme coordination: Moritz Kranz**
